

DIED, on Thursday last, in her 54th year, after a few days severe illness, which she bore with great patience and christian resignation, *Mrs. Clarity Lee*, wife of William Lee, Esq. of this county.

She had been the widow, the wife, and the mother of a number of children, whom she had raised with the most tender circumspection—burthened with the care of infants, separated from the helping hand of a father and a husband by a cruel war, she had to meet the horrors and vicissitudes of the late revolution; and her steady and virtuous mind enabled her to stem the torrent of these difficulties, with reputation to herself and credit to her family and friends; whom she has now left, with an husband, to mourn the irreparable loss of a truly affectionate and valuable mother and helpmate. She was in truth the friend to all. By her neighbors, she will be long remembered—to them she was indeed a sister—a mother. Her amiable disposition and exemplary deportment through so long a course of years, could not fail to insure her the esteem and confidence of her numerous friends and acquaintances; and her loss justly inspires a sympathising tear of sorrow.

On Saturday night last, *Mr. Henry May*, Merchant, aged 36 years.
